

# big winter workout 2025

## terms & conditions

Between 1 December and 21 December, Brio will run its Big Winter Workout Challenge!

### how does it work?

Pretty simple, really. Just sign up and get as active as you can! At the end of each week, the top 25 in each category are entered into a prize draw. The higher up on the leaderboard, the more entries you get!

There are 4 ways to win a prize,

1. Gym usage
2. Swim usage
3. Class usage
4. App challenge

App available to all members!

- Those who wish to be in with a chance to win a prize for their gym, swim, app or class usage need to register their interest via our Big Winter Workout landing page

- <https://www.brioleisure.org/big-winter-workout> (will go live 17.11.25)

- This is not open to all members automatically. If a member or PAYG user has not registered via the designated landing page, they will not be considered for a prize each week.

- Where applicable, members can register to take part in all 4 challenges each week.

- Winners will be chosen using the following methods,

1. **the gym** - Visit the gym! The top 25 attendees in any of our gyms will be entered into a weekly prize draw, and the higher they are on the list, the more entries they'll get!

2. **the pool** - Register to get involved! The top 25 pool users across Brio will be entered into a prize draw; the higher they rank, the more chances they'll have to win.

3. **fitness classes** - Register to take part! The top 25 class attendees across Brio will be entered into a weekly prize draw, and the higher they finish, the better the odds!

4. **the app** - There will be an app badge to win each week for 3 weeks up until Christmas, with 1 prize giveaway each week! All members who earn their new app badge will be entered into a random user generator to select the prize winner.

5. **brio's biggest user** - Whoever attended/ achieved the most sessions across all areas across all weeks up until Christmas\* will win the big 'Brio's biggest user' prize! Brio will choose from the top 5 ultimate users and choose at random.

- We will announce the Brio weekly winners on the Monday after each whole week (running Monday - Sunday). There are 13 prizes in total. 4 per week and then our ultimate Brio's Biggest User! Our final prize winners will be chosen on Monday, 21 December.

- Each Sunday PM, Brio will reset the challenges, and we will restart the challenges, so there is everything to play for!
